Kobalt 24-volt max 4.0-Ah Li-ion battery provides more power and runtime, so you can get the job done fast. This set includes (2) 24-volt 4.0Ah batteries. The power indicator keeps you informed as to how much battery is remaining before ...

Today I'm upgrading the battery capacity on my 24v Grave Digger Power Wheels. The stock batteries are a pair of 12v 7.2Ah batteries run in series, for a total of 24v 7.2Ah. The stock 7.2Ah batteries were already lacking with the stock motors and I exacerbate that lack when I upgraded to faster Traxxas motors.

Kobalt 24-volt max 4.0-Ah Li-ion battery provides more power and runtime, so you can get the job done fast. This set includes (2) 24-volt 4.0Ah batteries. The power indicator keeps you informed as to how much battery is remaining before needing to be charged. The battery monitoring and protection system prevents the battery from overheating.
