Agency Power has taken the E92 BMW M3 big V8 engine and given it some sound steroids. The Agency Power exhaust has a great tone which gives your car that race sound many desire. Our exhaust system has been engineered and dyno tested to not only improve the sound, but gain horsepower, and improve top end performance.

The LMPPerformance team selected the Agency Power brand of aftermarket exhaust systems for their customers because we know you want the best. They know you are getting top quality with Agency Power aftermarket exhaust systems, quality parts like the full titanium muffler Catback exhaust and the electronically valve controlled mufflers.

Agency Power Exhaust w/connecting pipes My E92 M3 was stock as stock could be at this point. I was out of my comfort zone, as this was my first non-Honda. I wasn't familiar with the myriad of exhaust system choices. After viewing video after video online, I still could not make up my mind. My requirements with an exhaust system were as follows:
