Shoppers have come from as far away as Australia for one last chance to shop at H& J Smith. An institution in Invercargill, the department store's more than 120 years of history will end when it shuts for good on Saturday. H& J Smith chief executive John Green said there would naturally be sadness when the store closed for the last time.

These solar curtain lights use a huge solar panel and guarantee that photovoltaic light is far more effective in storing and converting sunlight into electrical energy. Throughout the day, the photovoltaic system absorbs around 3 to 5 hours of sunlight throughout the day and automatically delivers power for roughly 6 to 8 hours.
