Solar is a free online marketplace offering potential the best pricing quotes from a carefully-vetted network of installers. In fact, we accept just 30% of solar installers that apply to join our network (we"re that picky). Through the solar marketplace, you"ll be paired with a dedicated Energy Advisor that will help you:

SOLAR passwords are different from NetID passwords. If you"re logging in to SOLAR for the first time, use your initial solar password. Also note that these passwords are case sensitive. To sign out, near the top right corner, select Sign out. Also note that your SOLAR session will time out after 20 minutes of inactivity.

Only those with an active, non-expired user account can log on to the Solar Workplace web application. From the initial login page, the user is prompted for their username and password. By default, there is a configurable three-strike lockout in place.
