

Portable radio solar power

Most self-powered radios these days either look like a flashlight, a portable analog radio, or they sport "high tech" styling (like the FRX3). I can honestly say that the CCRadio Solar is the first self-powered radio that my wife actually welcomed into our kitchen! This is a huge.

6-way powered portable emergency radio with hand crank generator, solar panel, compartment for 3 AA batteries (not included), 5V USB input, 5V AC/DC input with a wall power adapter (sold separately), built-in NiMH replaceable and rechargeable battery pack ...
