Power Strike (Sega Master System | Video Games) prices are based on the historic sales. The prices shown are calculated using our proprietary algorithm. Historic sales data are completed sales with a buyer and a seller agreeing on a price. We do not factor unsold items into our prices.

This was localized in both the US and Europe as Power Strike. Aleste 2 was made again for the MSX, but this time it didn't get a direct port. Instead, Sega wanted Compile to make a sort of remixed game in the same universe. This became the game we know as Power Strike II, an exclusive game to the Master System. Here's where it gets complicated.

A vertically-scrolling shoot-em-up from Compile and the first of their Aleste series. The Sega Master System version was localized as Power Strike for Western territories.

OverviewPower Strike II (Master System)Power StrikePower Strike II (Game Gear)See alsoPower Strike II, released in 1993 in Europe and Brazil for the Master System only, was the only game in the series designed from the ground up as a Power Strike game. It takes place in an alternate past in the 1930s, where players try to capture aerial pirates in retro-futuristic aircraft. The title plays similar to its predecessor, but adds a charged attack by holding the fire button.
