

Power washer systems of iowa

Washer Systems of Iowa is a Des Moines based business specializing in business and industrial pressure washing equipment, floor cleaning equipment and waste oil heaters. Serving all of Iowa we strive to provide the best possible equipment along with technical knowledge and superior service you need to keep your equipment in top working order.

The company started in Humboldt, Iowa, the site where the original "Hot Water Pressure Washer" was manufactured by a company called Slifer Manufacturing. Around 1970, when Bob Cohen founded Hotsy Corporation, Hotsy Cleaning Systems, Inc was established as one of one of the original distributors of Hotsy Pressure Washers.
