REGO 12V 400Ah Lithium Iron Phosphate Battery. SKU: RBT12400LFPL-SHBT. The Renogy REGO 12V 400A Lithium Iron Phosphate Battery features 5.12 kWh massive capacity and supports expansion, providing more power than ever before. Manufactured with top-grade cells, the battery provides an exceptional lifespan of more than 3800 cycles. ...

Renogy 12V 400Ah REGO Lithium Iron Phosphate Battery, 5 Year Warranty. Time to meet the latest Renogy REGO 12V 400A Lithium Iron Phosphate Battery, 5.12kWh massive capacity able for expansion, providing more power than ever before. Manufactured with top-grade cells, the battery provides an exceptional lifespan of more than 3800 cycles.

No, you can't. These Renogy lithium batteries do NOT support connecting in series. They are made ONLY for connecting in parallel using identical batteries with the same type (lithium), same capacity (Ah), same voltage (V), and same brand (Renogy).

The Rego battery has built-in Bluetooth and also has CAN communication ports. It supports both Bluetooth communication and CAN (RV-C) communication. 8. When does the battery's self-heating function work? The battery has a built-in heater.

Meet the next era of energy storage system with Renogy 12V 400Ah REGO Lithium Iron Phosphate Battery.

Rego 12v 400ah lithium iron phosphate battery review

With a large capacity of more than 5KWh, the battery is designed to run loads for extended periods of time. Manufactured with top grade cells, the battery provides an

The REGO 400Ah Lithium Iron Phosphate battery is equivalent to 4 x 12V-100Ah Lithium Iron Phosphate batteries OR 8 x 12V-100Ah AGM / Gel batteries, but with a much smaller footprint. The REGO LFP battery weighs 112 pounds at 1.4 cubic feet. For comparison, 8 x 100Ah AGM/Gel batteries weigh in at 512 pounds and take up 3.5 cubic feet, and 4 x ...

Single REGO 400A battery with 5.12kWh storage capacity usable capacity, Save over 30% installation footprint than 4 pieces of 100A batteries. The sophisticated battery management system (BMS) offers over 60 types of warnings and protections, enables precise cell balancing, and stores up to 150 event records.

Product Description Renogy Rego 12V 400Ah Lithium Iron Phosphate (LiFePO₄) Battery | 3800 Cycles
