The EG4 Solar AC is one of the most innovative ductless heat pump/air conditioners available; reduce your electric bill and keep your home the temperature you want with this energy-efficient appliance. Featuring the ability to plug directly into solar panels, this system accepts DC power from their PV array without the need for an intermediary ...

Follow up to my review. Signature solar did split up the shipping of my panels / 18kpv inverter. I was able to receive those items on time to complete my work needed before the beginning of December. The powerpro battery was shipped at a ...

The only reason I bought the panels from Signature Solar was because Santan Solar was out of stock at the time. From the photos it looks like the backsheet has excessively weathered. In my opinion that isn't necessarily going to lead to failure from moisture intrusion.

This is concerning. On Tuesday i ordered a whole pallet of Aptos 370w cells from Solar Sovereign as well as an EG4 PowerPro battery. They had a \$200 off \$3k coupon for fathers day.

Not really a review but more of a question. It seems Signature Solar is having a good sale on the eg4 18 Kpv and batteries through the end of the month. I'm reasonably new to this whole field (FYI I'm and EE but my background/experience is in computers/software not in power systems). I'm not...

I placed an order for solar panels, battery and charger (chargeverter) on Jan. 7. I was told the chargeverter

Signature solar reviews

would be in stock middle of the month. Got the solar panels in a week. I was also told they were moving warehouses so it would be about a week before the battery would ship. Here it is...

Signature Solar listed them as being in "great condition". As you can see in the pictures, they were in no such condition. In regards to the integrity of the panels, I'm not an expert, so I have no idea what sort of problems the cracks on the backside can cause.

Solar Equipment Vendor Review Corner . Terrible Signature Solar / EG4 18Kpv Experience - Returning and Replaced with Sol-Ark 15k ... After weeks of what I'd call nothing short of a circus, the new EG4 18Kpv is heading back to Signature Solar in a Sol-Ark 15k box and I'm asking Visa to step in and handle the refund. Very long and detailed story ...

Signature solar reviews

I chose Signature Solar and EG4 products after watching reviews and reading what I could my upgraded system is still relatively small but perfect for my needs. I had problems with the shipping company, but after emailing with SS they took responsibility..... very nice after a frustrating experience. when I was ready to power up my system.
