There are many solar companies in Chatsworth, but not all of them sell and install SunPower products. So what's the difference? As one of the most trusted names in the industry, SunPower is known for record-setting solar technology. In fact, only 1 out of every 20,000 SunPower panels ever returned under warranty.

Adam B. said "In October/November of 2022, I contacted a few roofing companies to look at our roof as we had some leaks over the years and figured it would be smart to get it fixed. We had 4 companies come out for an inspection. While ...
