For a minimalist look, these small solar-powered outdoor lights from Solpex are designed to run along a deck railing or at the edge of steps. Like many of our picks, they charge during the day and automatically turn on at night without a timer. When fully charged, the lights reportedly cast their dim glow for up to 10 hours.

Solar power up lights

We installed the solar light near the side of our house, facing our gate, and discovered that it provided an impressive 10 feet x 10 feet of lighted area. At 1000 lumens (the highest on our list), we found that the light's maximum range was roughly 25 feet, which is rather good for a solar-powered light. Setting up the lights was also a breeze.

Solar-powered Floodlight that shines up to 1200 lumens of white light on driveways, backyards and large areas when motion is detected. Connect Solar Floodlight to the Ring Bridge to enable customizable smart controls, adjust the brightness and motion sensitivity and set schedules, all ...
