Sunrun, the largest dedicated residential solar company in the United States, today announced that it has surpassed 100,000 home solar customers. We at LGCY Power are proud to be a Sunrun Certified Partner. Have any questions or need a quote? Contact one of our solar representatives today.

The Sunrun Monitoring portal is a tool that allows you to track your solar system's performance and cost savings. It also provides an option to share this information via social media and other ways. If someone you refer to Sunrun decides to go solar with them, you will receive a referral reward. The portal helps you monitor the progress of any referrals you sent to Sunrun.

An email will be sent to the email alias you provided for the Partner Portal. From there, you will create unique login credentials and will be able to login! If you have any issues with this process, please work directly with your Account Manager.
