

WHE 2024 and the 2024 World Battery & Energy Storage Industry Expo (WBE) will be held side by side once again, with a collective show space going up to a gigantic 165,000 sq.m to co-host over 2000 exhibiting companies, of which an estimated 460 will be hydrogen energy related. ... Energy, electric power, energy storage, shipbuilding, military ...

The Solar PV & Energy Storage World Expo 2024, formerly known as the "Guangzhou International Solar PV Energy Storage Exhibition," will be held from August 8-10, 2024, at Area B of the Canton Fair Complex in Guangzhou. This premier event has been optimized and upgraded to better serve the industry and enhance its international influence. It ...

1. The 7th China Power Battery Conference. 2. The 7th Asia-Pacific Battery Industry Summit (including at least four topic forums: smart manufacturing, material innovation, small power application, swapping technology and operation) 3. The 8th Asia Energy Storage Technology and Application Expo. 4. Solar PV World Expo 2023

Energy storage batteries for wind power generation systems, solar photovoltaic systems, wind-solar hybrid systems, etc. Power storage application and engineering; Battery materials and accessories; Battery manufacturing equipment and testing devices; Supercapacitors Co-Located Trade Shows & Live Activities. 2023 World Power Supply Expo

The 2024 World Battery & Energy Storage Industry Expo (WBE), scheduled to take place August 8-10 is set to occupy a total of thirteen exhibition halls at the China Import and Export Fair Complex in Guangzhou, China. Covering some 165,000 m², the event is expected to bring together over 2,000 exhibitors with around 200,000 visitors.

Three Major Industry Conferences. China Battery Industry (Guangzhou) Summit, China Energy Storage Industry Ecology Conference and World Hydrogen Energy & Fuel Cell Industry Conference constituted the biggest highlight of the 2023 trade show, gathering industry experts, business leaders and policy makers to promote fresh thinking, share latest innovations and ...

The three-day Solar PV & Energy Storage World Expo 2024, held at Area B of the China Import and Export Fair Complex in Guangzhou, concluded successfully, presenting a spectacular event for the global solar and storage industry. It showcased the robust growth of China's solar and storage industry and its close cooperation with international peers.

In 2024 August 8-10, Solar PV & Energy Storage World Expo 2024 is expected to reach an exhibition scale of 150,000 square meters, bringing together 2,000+ exhibitors and 200,000+ professional visitors, deeply linking upstream, midstream, and downstream industry chain resources, building a one-stop business procurement platform. We believe it will ...
